In Manchester city

Freshair man
new made a
air

Freshair man
knew that trees
helped stop
pollution. so he
made Teaman Tree

Freshair man +
Teaman Tree
cleared pollution
in the
Stadium

Ex Line
Stadium

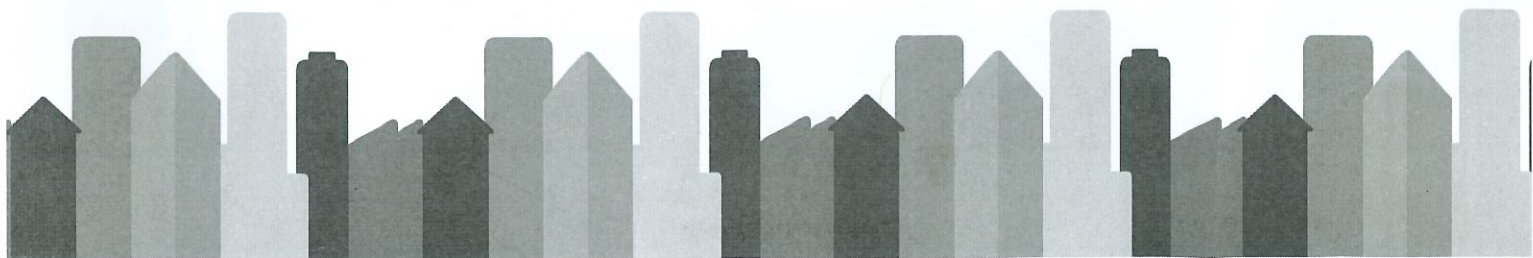

Freshair man
and Teaman
Tree went
to the Beach to
clear plastic and
pollution

they had
a big party
Party, with cake
watching electric
airplanes in
the sky.

plastic

pollution

rainbow
cake

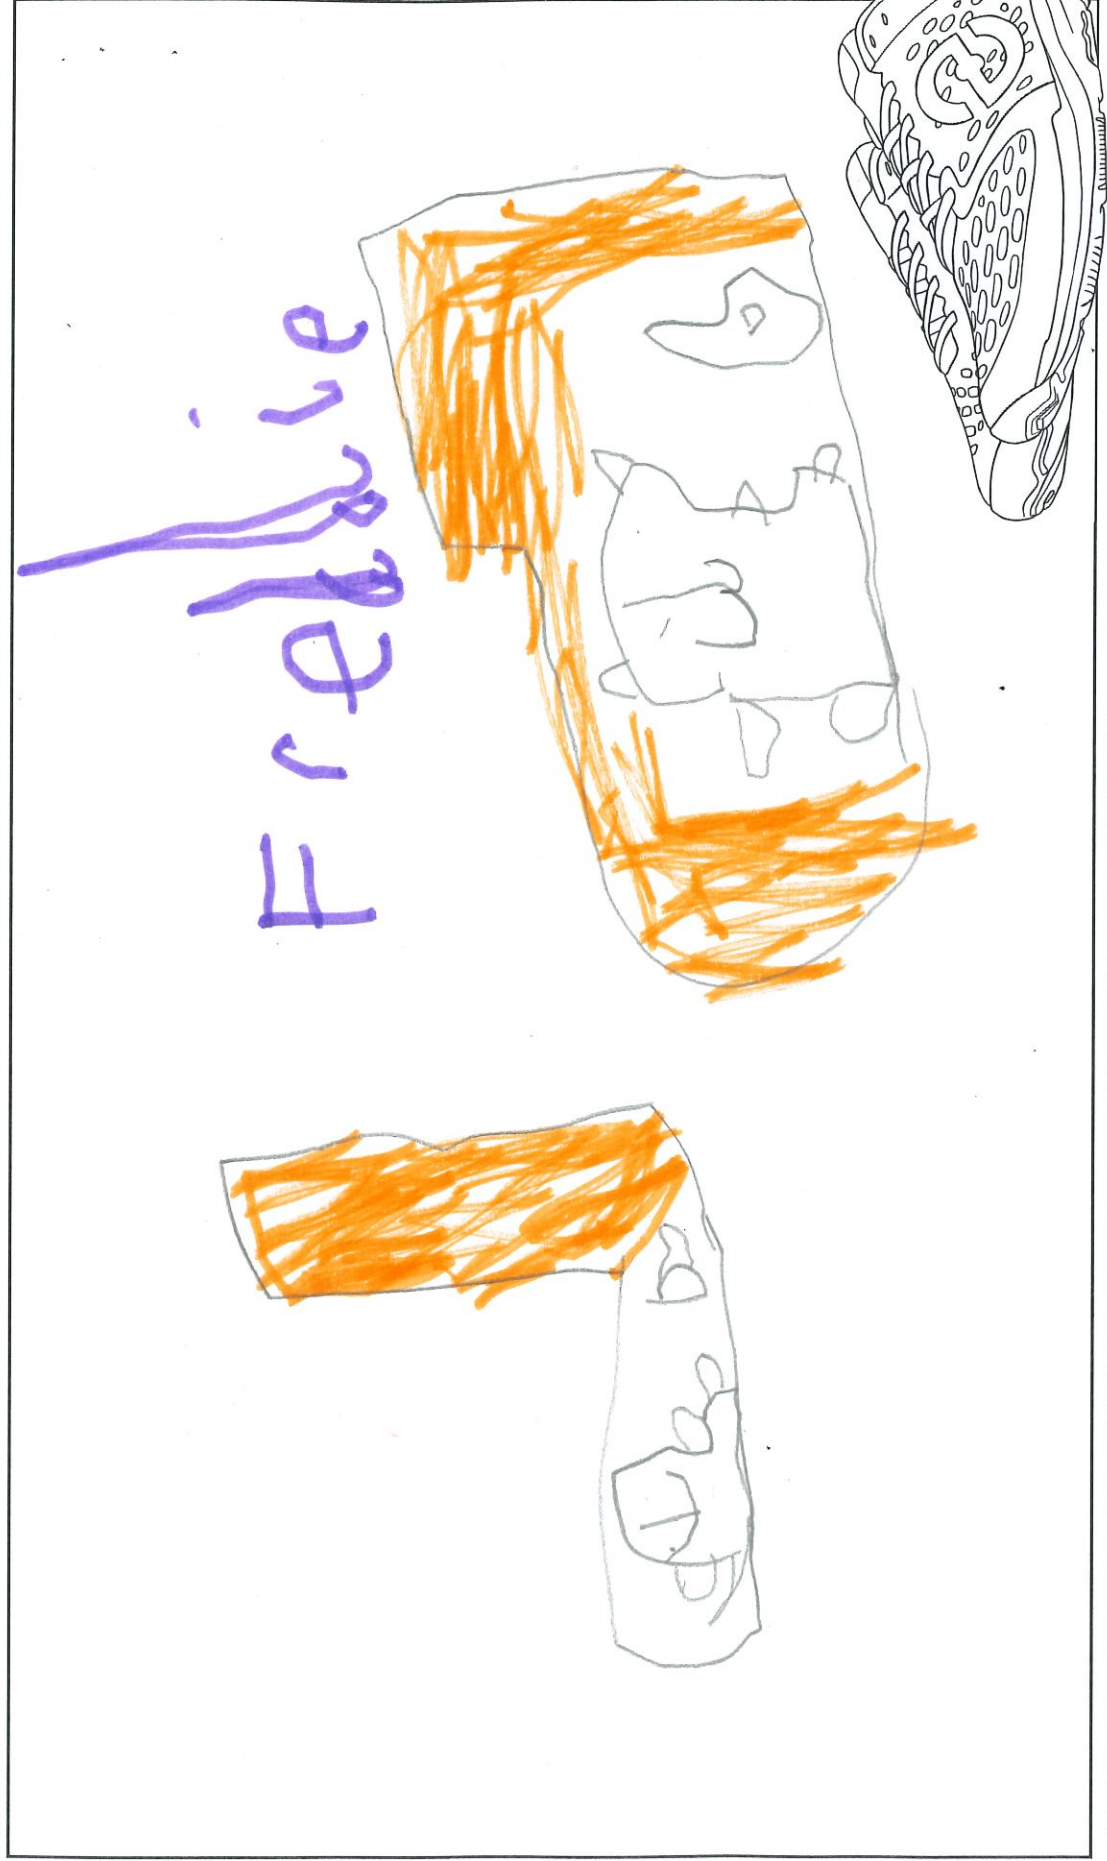

Create Your Dream Shoes for Walk to School Week

If you could walk to school in any pair of shoes in the world, what would they look like? Let your imagination run wild!

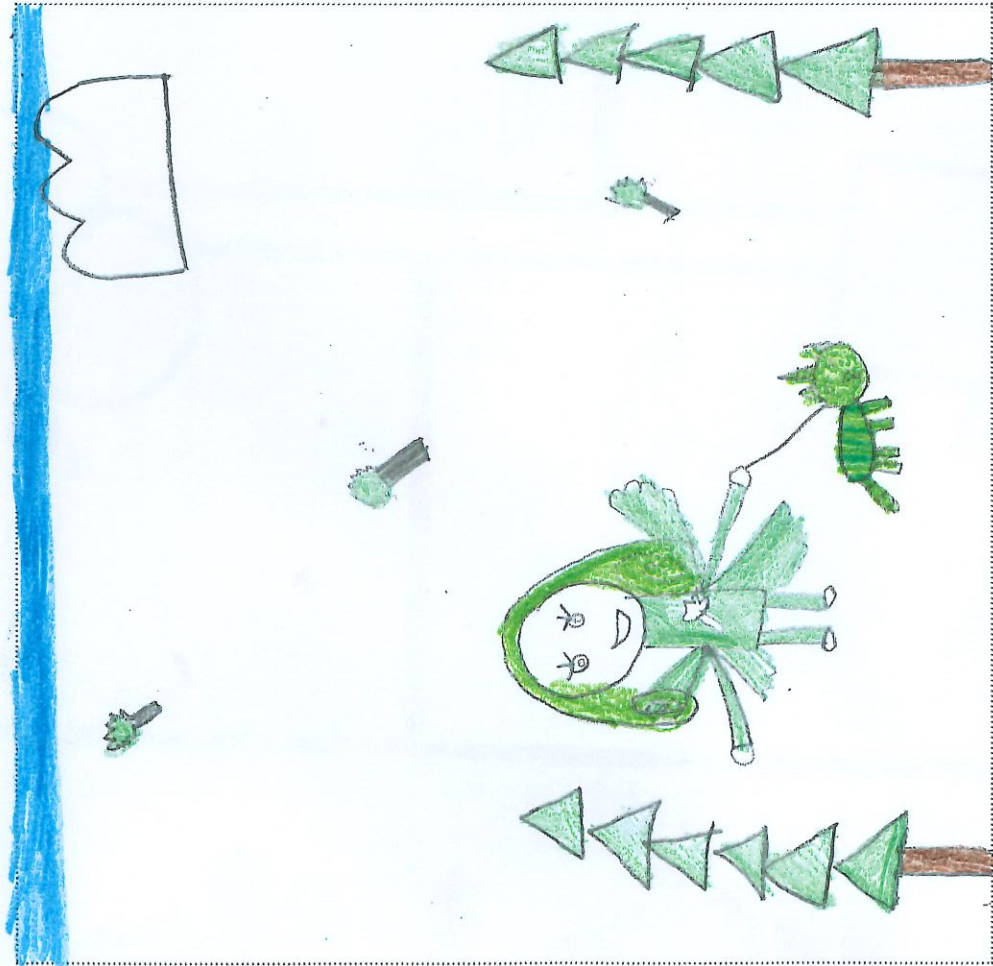

Create Your Dream Shoes for Walk to School Week

If you could walk to school in any pair of shoes in the world, what would they look like? Let your imagination run wild!

My Clean Air Superhero

Florence

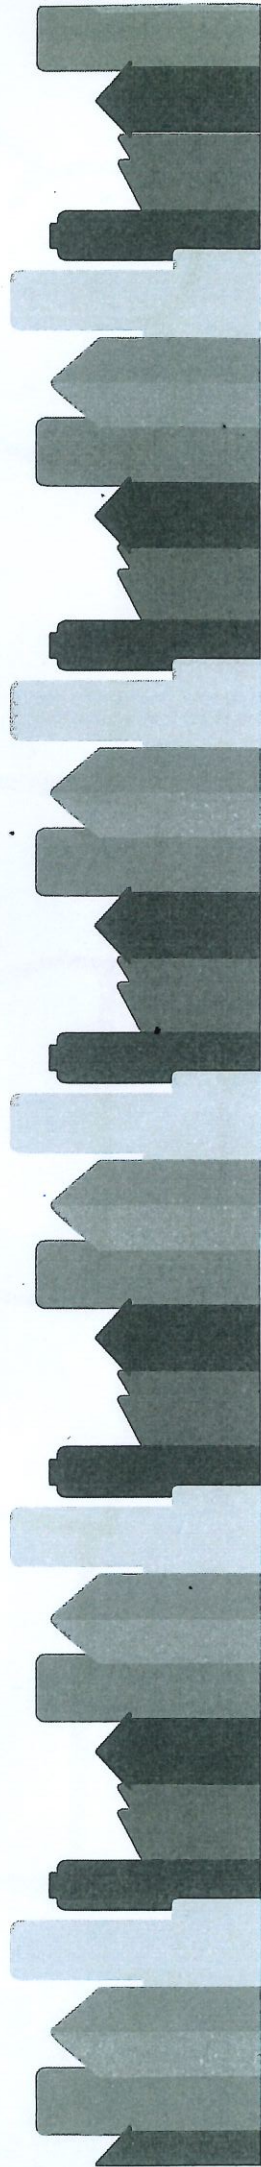

Name:

tree girl

and a tree grows up

How my hero protects people:

helping to make ^{our} green ^{ere}

RAAH A E 11

Name:

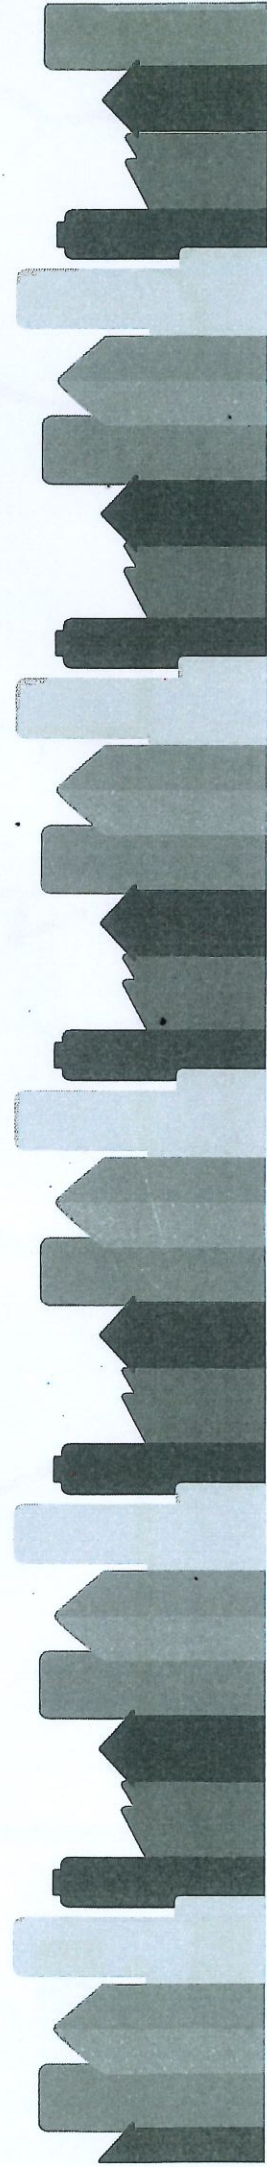

arbin der

Super powers:

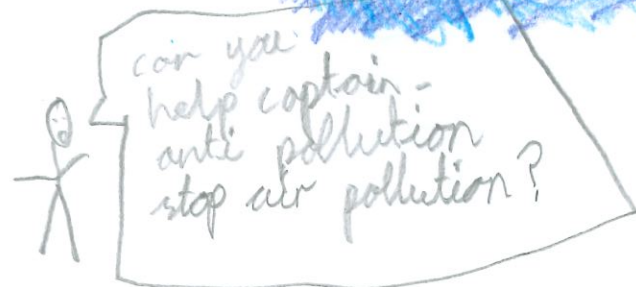

water

How my hero protects people:

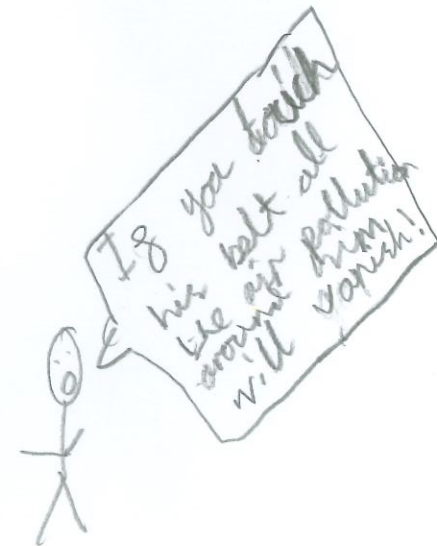

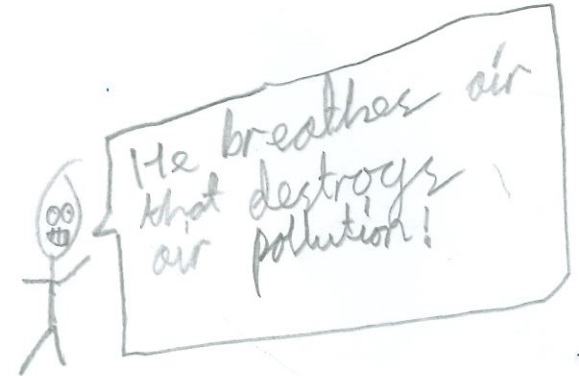

Plants grows

CAP-ANTI POLLUTION

Please get a electric car

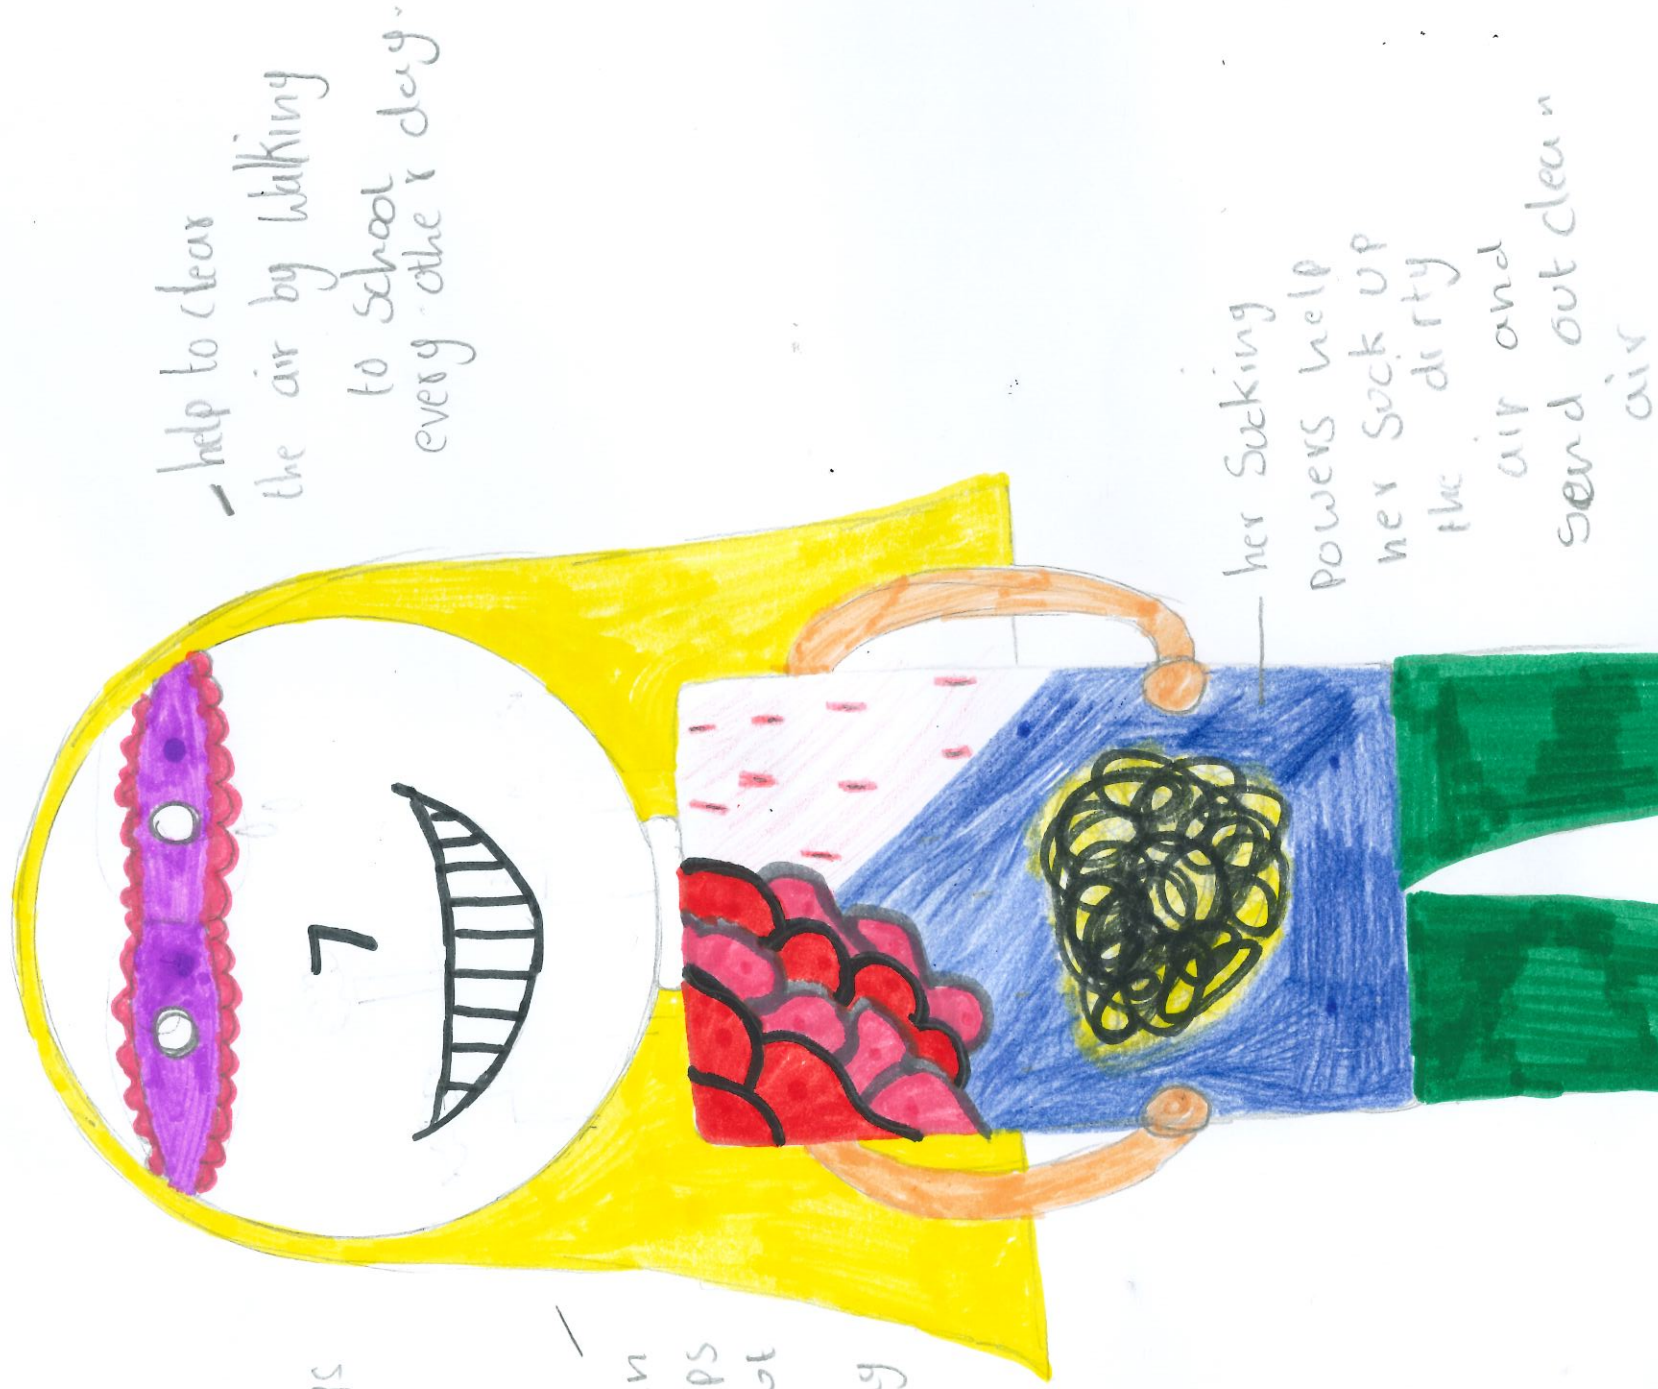

Save Our

→ if you see people smoking walk around them to keep your lungs clean and healthy

her golden hair helps bring out the sun and bring happiness

and think before you take the car.

help to clear the air by walking to school every other day.

her sucking powers help her suck up the dirty air and send out clean air

let the flap did you know

Falk!

If you live far away maybe you can park a bit close to the school and wait the rest

Princess

Pollution

What is air
Pollution?

Air Pollution is gas or

smoke in the air with

can injest your lungs,
heart and body.

This is Princess
Pollution and she ^{saves} ~~helps~~
the world from pollution.

Her job is
she sneaks around
Villages and opens
windows if she knows
there is pollution in the
building.

Call 70986550679 ^{pp} Pollution
to get her to come.

I bet your wondering how
she can travel tons of
villages in one day? I'll
tell you how! She has
Super Speed and flying
power.
